Cruise Select

More Choice

As true cruise specialists we offer a more comprehensive range of cruising and deal with cruise lines you will not find in a typical high street travel agent. More choice means you will have a greater chance of finding a perfect cruise to suit

More Knowledge

By specialising only in cruise our knowledge is focused solely on this one, but very diverse area of travel. We have first hand experience of most cruise lines, their ships and itineraries. To date the team at Cruise Select have sailed on over 50 ships in operation today and inspected many more!

More Deals

Recognised as one of the UK's Leading Cruise Agents we can offer a host of additional benefits including onboard spend, cabin upgrades, free parking or airport/port transportation as well as excellent discounts. We often have exclusive deals, not available elsewhere.

More Value

The key is booking the right cruise at the right price. At Cruise Select we take the time to understand your needs to ensure that your eventual decision is an informed one.

More Flexibility

We always like to say "Yes!". If you want to extend your holiday, add on a city stay, want a different duration or meet up with friends just ask. If it's possible we will do it!

More Satisfaction

Service, attention to detail and the assurance of dealing with your personal cruise specialist throughout, from the moment of your initial enquiry, through to returning home. Our one-to-one service is designed to provide total customer satisfaction.
