SUMMER 2012 CRUISES

Fares from
£699
per person

THERE ARE A LOT OF CRUISE COMPANIES OUT THERE. BUT THERE'S ONLY ONE DISCOVERY.

The key to a Voyage of Discovery cruise is simplicity itself ~ see more, do more. So, you'll discover some of the great cities and monuments from the ancient and modern worlds. And along the way, you'll also share the stories and insights not everyone gets to see. Our renowned guest speakers unlock the secrets, whilst *Discovery* is the perfect way to get to any destination. It will be a voyage you won't forget.

A SHIP LIKE NO OTHER AND AN EXPERIENCE TO MATCH
Small enough to reach out-of-the-way ports, yet large enough to make light work of crossing the great oceans, *Discovery* avoids the excesses of today's mega-liners. Instead, she has been expressly conceived for our special brand of 'discovery cruising' to create an atmosphere on board that is friendly and relaxed. There are all the facilities you would expect on a ship of this size, including three restaurants, a choice of bars and lounges, two pools, a well-stocked library, lecture theatre/ cinema and internet centre.

FAR FROM THE MADDENING CROWD
During your voyage, you will be accompanied by around 650 like-minded passengers and a highly-acclaimed team of guest speakers who will ensure that your time on board is as memorable as your time ashore. Complementing the talks given by our own lecturers, who will preview the destinations ahead, the programme features historians, explorers, naturalists and diplomats, who will share their expertise, anecdotes and interests with you.

THE DISCOVERY DIFFERENCE

- Smaller ship – 650 passengers not 5,000
- Not a casino in sight
- We don't just visit the main ports, we also visit the smaller 'off the beaten track' destinations
- We stay in a destination longer. So you see more and have more time to explore
- No hidden extras. All gratuities and service charges included (other cruise lines add up to £253 per couple per fortnight to the bill)
- All port and pre-paid airport taxes included
- Free parking at Harwich or Portsmouth or selected transfers to the port

SUMMER 2012 NO-FLY CRUISES

If you prefer not to fly, join *Discovery* in either Portsmouth or Harwich. Our programme of no-fly cruises includes exploring the historic Baltic, with three days in St Petersburg, discovering Second World War history in France, the Netherlands, Germany and Poland, our British Isles cruise, designed in partnership with the National Trust, the spectacular natural beauty of Norway and Iceland, and a return to the fascinating, remote Solovetsky Islands.
