SWAN'S DISCOVERY CRUISES 2012-13

Swan Hellenic has been operating discovery cruises for more than 50 years, blending a mix of 'must see' sites with smaller, less-visited sites that larger ships pass by. From March 2012 to May 2013 our small ship, *Minerva*, will be taking around 350 like-minded passengers to the Mediterranean and Black Sea, Northern Europe and the UK, The Baltic, The Middle East, Far East and Southeast Asia.

SWAN'S RIVER CRUISES 2012

Our unique brand of discovery cruising, coupled with A-ROSA's superior fleet of river cruisers, means you can enjoy discovering the heart of Europe with many of the ingredients that mark out Swan's traditional ocean-going voyages.
